

Name: _____

Trace each letter. Trace the path from the picture to its beginning letter in blue. Trace the path from the picture to its ending letter in red. Color the picture.

The image shows a central illustration of a balloon with a ribbon. Surrounding the balloon is a large dashed circle. Ten smaller rounded rectangular boxes are arranged around this circle, each containing a dotted letter. Dashed lines connect the balloon to each letter box. The letters are: 'b' at the top, 'c' at the top-right, 's' at the right, 'n' at the bottom-right, 't' at the bottom, 'm' at the bottom-left, 'g' at the left, and 'd' at the top-left.
